

DENNIS GOLF ASSOCIATION

2017

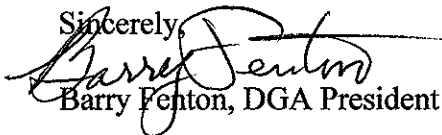

The Dennis Golf Association invites all members of the Pines/Highlands golf courses to become members of the Association. Members enjoy several golf outings as well as social events, such as an eighteen hole shotgun, nine hole scrambles, after golf buffets and raffles.

Your association will continue to award up to three junior golf memberships to qualified students who are residents of Dennis and three \$1,500 scholarships to Dennis/Yarmouth High School students who reside in Dennis and seek to further their education after high school. We will continue to hold our Nearest-to-the-Pin Contest in late August at both courses to raise funds for these worthy causes.

The events schedule for 2017 are in the process of being finalized. The Board has voted to raise the membership dues to ten dollars per person. We encourage you to be an active participant in your organization. Volunteers to help set up teams and guidelines on the Saturday mornings before our bi-weekly events are needed, as well as help for the Nearest-to-the-Pin event. If everyone would pitch in, then the 2017 season would be the best ever!

The Association extends its thanks to Golf Director Mike Cummings and Kyle Stead along with Maryellen Fabiano for sending this letter along with the 2017 membership applications.

Sincerely,

Barry Fenton, DGA President
